Our **Belle Vue Bumble Bees' Orientation Program** begins for enrolled 2021 Prep students.

In these sessions your child will participate in primary school life. During one of the first sessions, they are greeted by the Prep teachers for 2021 and receive a showbag of school "goodies". Your child will complete part-day and full day sessions.

Our Bumble Bees program will be held on the following dates:

- Thursday November 5th 2.00pm – 3.00pm
- Friday November 13th 9.00am – 10.00am
- Wednesday November 18th 9.00am – 10.30am

Finally, 2021 Prep students will attend their first 'full day' at school **on Tuesday December 1st (Full Day) 9.00am – 3pm**

One of the most valued parts of our program is our **Grade 5/Prep Buddies Program**. Your child is allocated their Grade 5 buddy, who remains in that relationship with them in Prep and Grade 1. Our Prep students develop a supportive and comfortable relationship with their Buddy which can be maintained over the next two years.

There will also be a Prep specific information session for parents to help you and your child with the transition to primary school, held during the orientation process.

***We look forward to meeting you and your child,
supporting your family through the transition from kinder to Foundation
and welcoming you to the Belle Vue Primary School community.***
