

## Theircare Belle Vue

**Movie Fun** 

Dance floor fun

Science Incursion

Over the holidays we had some amazing adventures here at Belle Vue Theircare.

- With friends from many different schools as well as both familiar and new faces, it was great meeting and getting to know everyone.
- Excursions these holidays included a trip to the movies. We watched Ruby Gilliman, Teenage Kraken.
- We also went to a Disco Party where we not only danced the day away with our Silent Disco Headphones, but got involved with fun games and acitivies! A giant volleyball, bowling, and musical statues on the colourful dancefloor.

Our Super Excursion this Holidays was a trip to RUSH HQ. We loved rock climbing and jumping on super trampolines.

We also had some fun incursion such as Silly Slime and Commando Kids where we did some great team building.

We are looking forward to the term ahead! With it being term 4, and all the fun events that take place. Halloween is coming up, we have some fun activities such as art and crafts are planned. We can't forget that Christmas not too long away!

We are all looking forward to the fun ahead at Theircare.

Silly Smile Incursion
