STATEMENT OF COMMITMENT TO CHILD SAFETY

Belle Vue PS is a child safe organisation which welcomes all children, young people and their families.

We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students.

We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments.

We promote positive relationships between students and adults and between students and their peers. These relationships are based on trust and respect.

We take proactive steps to identify and manage any risk of harm to students in our school environment. When child safety concerns are raised or identified, we treat these seriously and respond promptly and thoroughly.

Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, trans and gender diverse, intersex and queer (LGBTIQ+) and other students experiencing risk or vulnerability. Inappropriate or harmful behaviour targeting students based on these or other characteristics, such as racism or homophobia, are not tolerated at our school, and any instances identified will be addressed with appropriate consequences.
Child safety is a shared responsibility. Every person involved in our school has an important role in promoting child safety and wellbeing and promptly raising any issues or concerns about a child's safety.

We are committed to regularly reviewing our child safe practices, and seeking input from our students, families, staff, and volunteers to inform our ongoing strategies.

ROLES AND RESPONSIBILITIES

School leadership team

Our school leadership team (comprising the principal, and senior staff members) is responsible for ensuring that a strong child safe culture is created and maintained, and that policies and practices are effectively developed and implemented in accordance with Ministerial Order 1359.

Specific staff child safety responsibilities

Belle Vue Primary School, senior staff members and office staff support the principal to implement our child safety policies and practices, including staff and volunteer training.

The responsibilities of these staff members are outlined at Guidance for child safety champions.

Our principal and child safety champion [amend if needed] are the first point of contact for child safety concerns or queries and for coordinating responses to child safety incidents.

- The principal is responsible for monitoring the school's compliance with the Child Safety and Wellbeing Policy. Anyone in our school community should approach the principal if they have any concerns about the school's compliance with the Child Safety and Wellbeing Policy.
- The principal is responsible for informing the school community about this policy and making it publicly available.
- Other specific roles and responsibilities are named in other child safety policies and procedures, including the Child Safety Code of Conduct, Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures, and Child Safety Risk Register.

Our school has also established a senior staff member in addition to the principal dedicated to Student Wellbeing and Welfare. The principal and Student Wellbeing and Welfare staff member meet regularly to identify and respond to any ongoing matters related to child safety and wellbeing. Our School Council monitors the Child Safety Risk Register.

CHILD SAFETY CODE OF CONDUCT

Our Child Safety Code of Conduct sets the boundaries and expectations for appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environments.

We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

The Child Safety Code of Conduct also includes processes to report inappropriate behaviour.

MANAGING RISKS TO CHILD SAFETY AND WELLBEING

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety and wellbeing policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities and services we contract through third party providers for student use.

Our Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our school leadership team will monitor and evaluate the effectiveness of the actions in the Child Safety Risk Register at least annually.

ESTABLISHING A CULTURALLY SAFE ENVIRONMENT

At Belle Vue PS we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities.

We have developed the following strategies to promote cultural safety in our school community:

STUDENT EMPOWERMENT

To support child safety and wellbeing at Belle Vue PS, we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging implementing our whole school approach to Respectful Relationships, our student Code of Conduct, school values and our Student Engagement and Wellbeing Policy.

At Belle Vue Primary School we implement the Zones of Regulation Curriculum, The Respectful Relationships Program and the Berry Street Educational Model Framework to develop the social and emotional wellbeing of our students. We foster a school-wide approach to our social and emotional learning programs, and ensure these programs are embedded throughout our teaching and learning, and across our school community.

Zones of Regulation Curriculum

The Zones Curriculum is a complete social-emotional learning **curriculum**, created to teach children self-regulation and emotional control. It is all about supporting students in age and stage appropriate content to develop regulation skills and competencies. Through this curriculum, learners explore concrete examples of regulation. We explain how regulation also helps us have more control over how we manage our feelings, energy, and behaviour. The Zones of Regulation provides an easy way to think and talk about how we feel on the inside and sorts emotions into four coloured Zones, all of which are expected in life.

The **BLUE ZONE** describes low states of alertness and down feelings, such as when a person feels sad, tired, sick, hurt, lonely, or bored. Our energy is low and our body is moving slowly when we are in the Blue Zone.

The **GREEN ZONE** describes a calm, alert state. We may be feeling happy, focused, content, peaceful, or calm in the Green Zone. The nervous system feels safe, organized, and connected in the Green Zone, helping us be primed to learn. *However, we can learn in other Zones too.*

The **YELLOW ZONE** describes when our energy is higher, and our internal state starts to elevate. Our emotions get a little stronger. We may be experiencing stress, frustration, anxiety, excitement, silliness, confusion, nervousness, be overwhelmed, or have the wiggles, when in the Yellow Zone.

The **RED ZONE** describes a state of extremely high energy and intense, very overwhelming feelings. We may be in an extremely heightened state of alertness, potentially triggering our fight, flight, freeze or flee protective response. We may feel elated, euphoric, anger, rage, devastated, out of control, panicked, or terrified when in the Red Zone.

Berry Street Education Model

The Berry Street Education Model (BSEM) is a framework designed to enhance teaching and learning, particularly for students with complex needs, by focusing on trauma-informed practices and positive psychology. It aims to improve students' self-regulation, relationships, wellbeing, growth, and academic achievement. BSEM provides educators with practical strategies and tools to create safer, more engaging, and responsive learning environments.

Respectful Relationships

The Royal Commission into Family Violence recommended all Victorian government schools implement the Respectful Relationships whole-school approach, which supports school leaders, educators and school communities to promote and model respect and equality.

Respectful Relationships teaches children how to build healthy and respectful relationships with themselves and others, guided through 8 topics:

- Emotional Literacy
- Personal Strengths
- Positive Coping
- Problem Solving
- Stress Management
- Help Seeking
- Gender & Identity
- Positive Gender Relations

Belle Vue Primary School aims to bring about a cultural awareness and change in how we treat each other, which will have positive impacts on students' academic outcomes, students mental health, classroom behaviour, and relationships with their teachers, peers, friends and family.

https://www.education.vic.gov.au/about/programs/Pages/respectfulrelationships.aspx

We inform students of their rights through our whole school approach to Respectful Relationships and give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns at by speaking to the principal.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.

FAMILY ENGAGEMENT

Our families and the school community have an important role in monitoring and promoting children's safety and wellbeing and helping children to raise any concerns.

To support family engagement, at Belle Vue PS we are committed to providing families and community with accessible information about our school's child safe policies and practices and involving them in our approach to child safety and wellbeing.

We will create opportunities for families to have input into the development and review of our child safety policies and practices and encourage them to raise any concerns and ideas for improvement.

We do this by:

- all of our child safety policies and procedures will be available for students and parents at http://www.bellevueps.vic.edu.au/bvps2/?page_id=114 and in hard copy via the school office.
- School newsletters will inform families and the school community about any significant updates to our child safety policies or processes, and strategies or initiatives that we are taking to ensure student safety.
- PROTECT Child Safety posters will be displayed across the school in multiple locations across the school

DIVERSITY AND EQUITY

As a child safe organisation, we celebrate the rich diversity of our students, families and community and promote respectful environments that are free from discrimination. Our focus is on wellbeing and growth for all.

We recognise that every child has unique skills, strengths and experiences to draw on.

We pay particular attention to individuals and groups of children and young people in our community with additional and specific needs. This includes tailoring our child safety strategies and supports to the needs of:

- Aboriginal children and young people
- children from culturally and linguistically diverse backgrounds
- children and young people with disabilities
- children unable to live at home or impacted by family violence
- international students
- children and young people who identify as LGBTIQ+.

Our Student Wellbeing and Engagement Policy provides more information about the measures we have in place to support diversity and equity.

Training includes guidance on:

- Belle Vue PS child safety and wellbeing policies, procedures, codes and practices

COMPLAINTS AND REPORTING PROCESSES

Belle Vue PS fosters a culture that encourages staff, volunteers, students, parents, and the school community to raise concerns and complaints. This makes it more difficult for breaches of the code of conduct, misconduct or abuse to occur and remain hidden.

We have clear pathways for raising complaints and concerns and responding and this is documented in our school's Complaint Policy. The Complaints Policy can be found on the school website.

If there is an incident, disclosure, allegation or suspicion of child abuse, all staff and volunteers (including school council employees and homestay providers) must follow our Child Safety Responding and Reporting Obligations Policy and Procedures. Our policy and procedures address complaints and concerns of child abuse made by or in relation to a child or student, school staff, volunteers, contractors, service providers, visitors or any other person while connected to the school.

As soon as any immediate health and safety concerns are addressed, and relevant school staff have been informed, we will ensure our school follows:

- the Four Critical Actions for complaints and concerns relating to adult behaviour towards a child
- the Four Critical Actions: Student Sexual Offending for complaints and concerns relating to student sexual offending

Our Child Safety and Wellbeing Policy and Bullying Prevention Policy, both on the Belle Vue Primary School Website, cover complaints and concerns relating to student physical violence or other harmful behaviours.
